Retake Policy

Students are required to retake a test if they received a 60% or less on it.

In order to retake, follow these steps:

① Fix your mistakes on a retake paper.

ex:

problem #	old work/answer	new work	new answer	why did I miss it?
23	$\frac{11}{13} - \frac{5}{13} = \frac{6}{0}$	$\frac{11}{13} - \frac{5}{13} = \frac{6}{13}$	$\frac{6}{13}$	I subtracted the denominator when I should have left it the same.

② Once corrections are done, staple them to your test and turn them in.

③ Schedule a time to retake with Ms. G
