Lesson 1.1.2

LT: I can describe what makes a game "fair".

Color-rama!

Guess	moves	wins
purple	+, -, +	purple ✓
green	+, +, +	yellow ✗
orange	+, +, +	yellow ✗
green	+, +, -	purple ✗
purple	-, -, +	purple ✓
green	+, -, -	purple ✗
yellow	-, +, -	purple ✗
purple	+, +, -	purple ✓
O/G	-, -, +	purple ✗

Which colors have the best chance of winning? Why?

Summary

① What makes a game fair?

② The class decided that color-rama was unfair.

How could we change the rules to make it fair?
